Provides ease of styling for the high maintenance head of hair. Eliminates 99% of curl and frizz after first application. Creates instantly smooth and soft hair with radiant shine. Maintains healthy looking hair without dryness or severe damage. Provides long lasting results up to 60 shampoos, including highlighted and gray hair. (May not be the answer for severely bleached hair.) Allows for shampooing and coloring immediately after your smoothing service. This system is free of direct formaldehydes and complies with all OSHA regulations. (A lot of systems contain formaldehyde, so that's a fantastic feature to protect you and your service provider too!)
